

MSCA-ITN-2018

Coordinator: Luciano Di Croce (CRG)

Runtime: 01.09.2018 – 28.02.2023

13 Early Stage Researchers

- Joint conference of three scientific networks,
- 120 in-person participants, 50 online participants
- No registration fees!
- Learning by doing event for ESRs, distribution of organisational tasks
- Only 4 invited senior keynote lectures, all remaining presentations from junior researchers, selected based on submitted abstracts
- Besides scientific talks also transversal topics (SciComm, Career Develop.)

	Monday 17	Tuesday 18	Wednesday 19	Thursday 20
9:30		Yang Shi	David Kong	
10:00	Organizers Time	Epigenetics & Disease	Chromatin regulation	
10:30		Coffee Break	Coffee Break	
11:00				Visit Alhambra
11:30	Registration	Network meeting (30 min per network)	ChromDesign-ERO meeting	
12:00	Lunch	Lunch	Lunch	Organizers Lunch (Hotel Abades Restaurant)
12:30				
13:00	Opening remarks	Epigenetics & Development	Open session	
13:30	Magda Bienko			
14:00	Genome organization	Coffee Break	Coffee Break	
14:30		Jane Skok	European strategies towards gender equality and inclusion in science	
15:00	Coffee Break + Group Pictures	From the lab to the street: How design can offer a new lens to molecular biology	Putting your research into context	
15:30	Career development for PhD candidates	Flash talks	Populating science from Darwin to TikTok: how new media communication is changing	
16:00	Open Science & transparent publishing: how to share reproducible data	Poster Session/Science-Art Exhibition	Networking + Refreshers	
16:30	The future of training is in VR		Impostors welcome!	
17:00			Closing remarks & Prizes	
17:30				
18:00				
18:30				
19:00				
19:30				
20:00				
20:30
