

MCAA France Chapter for Odyssea Run

RULES AND REGULATIONS

1. Presentation

Odyssea is a sport event for breast cancer research. The program includes 5km or 10km runs in different French cities and during different days of 2024.

2. Participation

Participation is open to all MCAA France Chapter members. The Chapter will pay the race inscription to the participants, who could run in their home city for a common cause. There are two types of races 5 km or 10 km. For the 10 km, the participant will need a medical certificate. For the inscription, please fill out the survey: <https://forms.gle/CSw44ZccEQ8E7coY9>

Furthermore, during the year, we plan to train together through the app <https://www.strava.com/clubs/1179472>. If you are interested, let's join us!

3. Rights

Participation in the activity entails the assignment to the MCAA France Chapter by all participants of the rights of reproduction, distribution, public communication, transformation and any other right of exploitation that may arise on the works used by the MCAA France Chapter for purposes related to its activity without limitation of time or place.

4. Data Protection

The participants understand and agree that the processing of personal data provided, undertaken by the MCAA France Chapter, will take place in compliance with EU General Data Protection Regulation, as stated in details in MCAA Privacy Statement (<https://www.mariecuriealumni.eu/legal-notice>). For more information, please contact: france.chapter@mariecuriealumni.eu
