Invites past and present Marie Curie / EU grant recipients to

A network event and workshop on Effective leadership for successful research & innovation

Tuesday, June 18th, 19:00-21:30

The Israeli chapter of the Marie Curie Alumni Association (MCAA) invites you to a **workshop** to be conducted by **Dr. Efrat Salton Meyer**. Dr Meyer holds a PhD in management; is a psychologist & organizational consultant, with over 20 years of hands on experience in consulting to organizations in sectors as hi-Tech, bio-Tech, finance, energy, healthcare and extensive academic experience as a lecturer currently at the Interdisciplinary Center Herzliya (IDC) and Tel Aviv University in Israel.

Speaker: Dr. Efrat Salton Meyer.

Her research interests lie in leadership, power and motivation in organizations as well as decision making. Her consulting work includes leveraging effective leadership, teamwork, successful achievements as well as employees' well-being.

About the workshop

Leaders, in academia and elsewhere, meet multiple challenges and opportunities in managing their staff's achievements, motivations and dedication while fostering a positive work environment. In this workshop main features of effective leadership and management of staff are examined including the effect of reaching objectives in general and in research and innovation specifically as well as promoting the wellbeing of people.

Drinks and refreshments will be served (partners are welcome too).

The training workshop will be held at:

15 Hasitvanit St.

Zichron Yaakov (street parking is available)

Please confirm your participation via email (Sharon Sznitman, Chair, MCAA Israeli Chapter: sznitmans@gmail.com). There is no cost for participation.

If you are planning on attending (or even if you aren't able to attend) please also sign up to the chapter – membership is free!

The Israeli Chapter of the Marie Curie Alumni Association was established in 2015 by Dr. Sharon Sznitman, Dr. Cheryl Zlotnick, and Dr. Nehama Lewis. The Israeli Chapter is part of the Marie Curie Alumni Association (MCAA) and encourages local networking and cooperation between Marie Curie Alumni currently living in Israel. Our goal is to expand the Marie Curie Alumni Scientific network and enhance the image of the MCAA within Israel. The Israeli chapter also aims to support its members in their career development.

How to join? All former or current recipients of a Marie Curie grant living in Israel can become a member of the Israeli Marie Curie Chapter.

Membership is free!

What you get
