All past and present beneficiaries of Marie Skłodowska-Curie Actions are eligible to join the Marie Curie Alumni Association (MCAA), and subsequently the Greek Chapter, and are welcome to participate. Requests for MCAA and Greek Chapter membership can be completed free of cost through the [MCAA homepage](#).

All MCAA members are warmly welcome, especially those who would like to get actively involved with the Greek Chapter.

MCAA and Greek Chapter members who live abroad but would like to participate, are more than welcome to join this first “online-only” Greek Chapter Meeting.

In this meeting, Greek Chapter Chair Eirini Papageorgiou will report on the Greek Chapter’s vision and last year’s activities. Dr. Dimitrios Christaras, current MSCA individual fellow will provide the participants an insightful presentation on “how-to” cope with IF proposals.

Round table discussion with all attendees will take place regarding future plans, training activities and events of the Greek Chapter.

Please, beware that use of video is strongly recommended in order to have an interactive and successful meeting.
